	<p>New Book 1. <i>includes HISTORY (including Australia), CHARISM, MENTALITY, PURPOSE & METHOD</i> <i>The Cursillos in Christianity were not thought up, structured or prayed for in order to evangelize the world, but rather to evangelize the person. The Cursillos in Christianity Movement was not born as a response of the Church to the world, but rather as a way of communicating to the person that God loves them. It offers concrete methods so that the encounter might transform itself into friendship. This is what the Cursillo Movement can offer the modern person and by this means, they can discover that their life has meaning.</i></p>		<p>\$5.00</p>
	<p>New Book 2. <i>includes PRECURSILLO, CURSILLO, POST CURSILLO</i> <i>When speaking of the Precursillo, we are talking about the Cursillo 3 Days lived authentically in the market place by people who are ordinary, authentic, committed, joyful, and centred. The Precursillo contains within it the life-strands, the DNA of the Cursillo Movement. The Cursillo 3 Days teach us what we need to know and how we can live our conversion and become the authentic leaven that our environments so desperately need. The Postcursillo helps us to continue the process of living our conversion and leavening our environments so that others will be attracted to the Precursillo.</i></p>		<p>\$5.00</p>
	<p>New Book 3 <i>includes SCHOOL OF LEADERS, SECRETARIATS, INTERNATIONAL GROUPS, OMCC</i> <i>The Cursillo movement originated with a small group of friends who studied, questioned and kept searching for answers. If we are to 'go deeper' in our understanding of the movement and our role in the Church as Cursillistas, we are called to study the Movement and how it all fits together. Our study of how Cursillo is lived out in the normal circumstances of every-day life is more likely to be effective if we can challenge one another's thinking through dialogue and discussion, respecting the person as the pivot of the Movement. The School of Leaders and the Secretariats help the Movement to stay on track and preserve its identity, that is, its DNA.</i></p>		<p>\$5.00</p>
	<p>Book 4. TALK GUIDELINES OF THE THREE DAYS <i>includes The Progression of Rollos chart, Introductory Rollo, and the guidelines for all Rollos of the 3 Days.
