CURSILLO CAIRNS 2026

— 17th-19th July —

A WEEKEND RETREAT

Friday 9am - Sunday 6pm (mass at 3pm)

AN ENCOUNTER WITH SELF,
CHRIST AND OTHERS

A reflective and renewing Christian retreat experience. Scan the brochure for details, or visit the website for more.

What is Cursillo?

To explain Cursillo to someone who has never experienced it can be mystifying. The reason behind the mystery is God. No one can fully explain how God touches each person in His special and unique way throughout the elements of the Catholic Cursillo Movement.

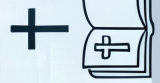

Your chance to begin this experience is by taking part in this Cursillo long-weekend retreat.

Aim of the Weekend

The weekend retreat is a short course in Christian living. It is enjoyable and enriching and gives time for reflection on what is fundamental about being Christian. The weekend is based on structured talks and questions followed by discussion. It also includes meditations, singing, prayer, and daily Mass.

“Renew your spirit in community.”

The Long-Term Aim of Cursillo

Cursillo offers you the opportunity to deepen your personal relationship with Christ through support from a group of people who care about your spirituality. Everyone will be welcomed and supported during and following the weekend on their Cursillo journey.
